Unlock Your Creativity with Our Home Education Classes!

Our **Home Education Classes** offer an exciting opportunity for home-educated children to engage in creative and educational activities. Led by a qualified **Primary Education Teacher**, our **Creators Club** provide a fun, hands-on learning experience. For children aged 7-12, this session dives into the exciting world of STEM, inspiring hands-on exploration and creative problem-solving.

Wednesdays, fortnightly, 10-11.30am

All sessions are **£6** per child. For more information, contact our team at community@ymcanorthtyneside.org
