Cullercoats Men's Club

We are primarily a retired men's club run entirely by its members. It has no political or religious affiliations and is completely independent of any other organization or parent body. Its declared aims are the fostering of friendship, goodwill and understanding.

We meet in the Minor Hall at Cullercoats Methodist Church each Wednesday throughout the year between 10.30am and Noon (with the exception of the last two weeks in December and the weeks in the month of August, {which makes 44 meetings each year}).

At each meeting we have an invited guest speaker who will entertain or inform us with a Talk/Show on a topics of his/her choice.
