

Disability North

Disability North is a free Independent Living Service which promotes social inclusion, independence and choice for disabled and older people in the North East of England and Cumbria.

Disability North is a user led registered charity which works with, and for, disabled people, empowering them to maximise the control they have over their own lives.

We provide information on all aspects of independent living, such as personal care and leisure. These are often referred to as activities of daily living or ADL. We have a comprehensive range of:-

- Equipment for all needs
- Demonstration areas including an accessible bathroom and living area, stairlifts and a mobility track.
- Free assessments, by appointment, are carried out by therapists who can give independent guidance on the most suitable equipment for you.

Please note that although we don't provide or sell any equipment ourselves we do coordinate a secondhand list for people looking to sell or donate equipment.

Full details are available from the Service Team and, for those who are happy to advertise on the internet, you can see their adverts on the secondhand equipment page on our website.

We are located at:

The Dene Centre, Castle Farm Road, Newcastle upon Tyne, Tyne & Wear, NE3 1PH

We are open to the public Monday to Friday 9.00 am to 5.00 pm
