

## Guide Dogs

Guide Dogs (Guide Dogs is the working name for the Guide Dogs for the Blind Association)

The Guide Dogs story started in 1931 with two amazing British pioneers, Muriel Crooke and Rosamund Bond. These remarkable women organised the training of the first four British guide dogs from a humble lock up garage in Wallasey, Merseyside.

We've come a very long way since those early days. Today Guide Dogs is the world's largest breeder and trainer of working dogs. And thanks to our dedicated staff and volunteers – and your vital donations – we've helped over 29,000 people to achieve life-changing independence.
