## Religious community organisation

At the Church of the Holy Saviour, we believe that God's plan to set the world free from its bondage to death and decay, prophesied by the prophets in the Old Testament, was fulfilled in the life, death and resurrection of Jesus Christ.

Our way home to God was opened to us through Christ's victory over sin and death on the cross. Through His sacrifice we have forgiveness of our sins, freedom in Christ and a place in His Kingdom when we repent and believe this Good News.

Our church community is a collection of believers, bound together by the Holy Spirit, who seek to bring in the Kingdom that Christ inaugurated until that day when all things will be judged and Justice will prevail.
