

Living Well
North Tyneside
Supporting Health and Wellbeing

EveryDay Care & Support

We are a social enterprise wholly owned by Age UK North Tyneside. We support adults over 18 and families in North Tyneside and Newcastle to live independently and make more of life. We're able to offer a little extra support in the short term or help over a longer period of time where necessary. All of our profits go back to supporting the incredible work carried out by Age UK North Tyneside.

Our services are varied and range from care at home, respite for carers, specialist dementia care, companionship, support around the home, and domestic cleaning, through to specialist healthcare for long-term conditions and end of life care.
