East End Youth & Community Centre (formerly East End Boys Club)

The East End Youth & Community Centre has been in existence since 1964 and was originally a Boys Club but we are now an all-encompassing Youth & Community Centre delivering out of school activities to children and young people.

We are currently affiliated members of N E Youth; a national organisation who support smaller local organisations to develop exciting programs to engage with children and young people aged from 6 – 11 years. We rent out space to groups at a low cost to enable them to deliver services, we have a very successful Kickboxing group in the centre also an Archery group and Karate, other groups include toddler playgroup, dance, exercise, and stilt walking.

We offer party and event hire and have in the past held very successful parties. We have a fully marked our sports hall suitable for 5 a side football, badminton and basketball.
