

## NHS Stroke Information

The NHS Stroke Information team operate across North Tyneside from Rake Lane Hospital

The Team can assist you with advice information and signposting if you or someone you know has been affected by stroke

You can access:-

- Information about stroke and transient ischaemic attack ( TIA)
- How to reduce the risk of stroke
- Welfare rights and benefits
- Statutory and voluntary organisations
- Organisations which support families and carers
- Health and social care services
- Stroke peer support services
- Stroke support groups

If you need assistance please contact the stroke information line on 0191 293 4326 or mobile 07814615771

we also deliver this service in Northumberland, for more about this, contact Kathryn Maidment 07814615523
