

Living Well North Tyneside

Supporting Health and Wellbeing

Healthwatch North Tyneside is your local health and care champion.

Have your say

If you've recently visited your GP, or local hospital, or used any health and care service in North Tyneside we want to hear from you. Whether you've had a good or bad experience, we can use your feedback to improve services for everyone by sharing it with NHS leaders and other care providers. We're completely independent and impartial and anything you tell us is confidential.

Tell us what was done well or what could be improved about a local service by leaving your feedback [on our online Feedback Centre](#).

Helping you find the information you need

Our **Health and Care Information Service** can help you to find reliable and trustworthy health and care information to enable you to get the support you need. This could be:

- How to access a social care service.
- [Finding a service](#) such as a dentist, pharmacy, urgent care, GP etc.
- [Making a complaint](#).

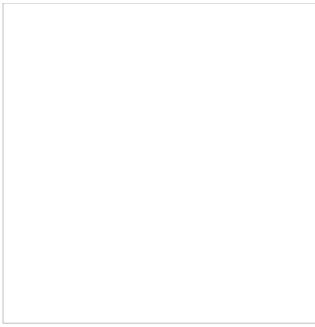

Our service is free, simple to use and can be accessed by phone or online.
