The Money Carer Foundation

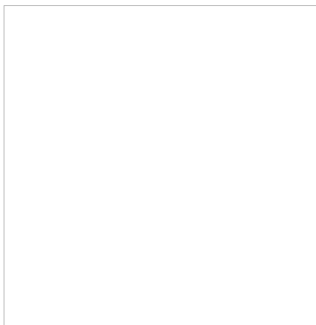

The Money Carer Foundation is a national social enterprise that provides a trusted appointeeship service to protect vulnerable adults and to manage their everyday finances in line with our local partnership with the DWP.

This involves paying utility bills, care contributions, rent and dealing with a variety of other financial activity on behalf of the client. For more information please visit:

<https://www.moneycarer.org.uk/about-us>

Our 'Carers Shopping Card' is a fully managed service that is set up specifically so that carers can access small amounts of money to make every day purchases or to withdraw cash on behalf of the client. For more information visit:
