Families 1st 4 Additional Needs

Families 1st (no 1181255) are parent led for support and practical advice in a charity capacity for the whole family, where there is an additional, complex or neurological need. We will actively help at home or school with understanding the law & parent speak around diagnosis, un-diagnosis, ECHP help, SEN support, Puberty, Boundaries, mental health, school crisis, masking, PDA, SPD, ADHD....and many more abbreviations...we also have events, trips, vacations, SEN activities, access to funding grants, sign posting, free food parcels and uniform, and a donation store and best of all - we do exactly as we say we will !
