

Living Well North Tyneside

Supporting Health and Wellbeing

We are a team of social prescribing link workers based in the following GP practices in Wallsend:

The Village Green Surgery, The Green, NE28 6BB
Hadrian Health Centre, Elton Street East, NE28 8QU
Bewicke Medical Centre, 51 Tynemouth Road, NE28 0AD

We work with GPs and nurses to support people with what matters to them, including information about local services such as: access to health information, benefits or housing, managing anxiety, depression, isolation, finding it hard to leave the house, support groups, improving diet and exercise, volunteering, support with accessing drug or alcohol support, mental health services.

You can get in contact with us by asking any of your GP practice staff, including reception and nurses.
