## WATBike Cycling Services

WATBike are a cycling charity covering the North East of England, with the aim of getting adults back on bikes. We run guided rides from various locations during the week and at weekends - these rides are free to everyone over 18 and are at a sociable pace with a cafe/pub stop along the way. We have a workshop just outside Ponteland, where we service and repair bikes. From there we also sell refurbished bikes at affordable prices. We have a fleet of 15 minibuses and trailers and can provide transport for people and bikes around the UK.

Our workshop is open 6 days a week. Monday to Friday 10am to 4pm and on Saturdays from 10am to 2pm.

Check out our Facebook page for details of rides and events or contact Claire on 01661 825599.
