The Live In Care Company

The Live In Care Company is dedicated to supporting individuals and couples needing care to remain in the comfort of their own home and achieving the very best care outcomes. We do this firstly by taking the time to carefully understand each client's individual needs and then matching them with one of our highly reliable, experienced and skilled live in carers to create a happy and positive experience for both client and carer. Almost all types of care needs and scenarios can be catered for including personal care, dementia care, Alzheimer's, Parkinson's, complex care, live-in care, respite care and discharge from hospital, care home or rehab unit, etc.
