Supporting Health and Wellbeing

Walfinch Newcastle East

Welcome to Walfinch Newcastle East, your trusted source for compassionate home care services in North Tyneside. Our dedicated team provides tailored home care for seniors, individuals with disabilities, and those needing specialized care like Alzheimer's and Parkinson's.

Our services include personal care, medication management, respite care, dementia care, and round-the-clock support, including end-of-life care and live-in care. We take pride in enhancing lives while maintaining independence in the comfort of one's home.

Serving North Tyneside and surrounding areas, we are committed to delivering high-quality care that improves our clients' and their families' quality of life. Contact us today for a free comprehensive home care assessment and experience the difference with Walfinch - exceptional home care services in North Tyneside.
