

Living Well North Tyneside

Supporting Health and Wellbeing

about the Life Brigade's current shore-rescue activities.

From the top of the south tower, there is a near 360 degree breath-taking panoramic views of the entrance to the river Tyne. A camera also relays the view to a screen on the ground floor.

The ground floor is very accessible and the Volunteer Guides are always on hand to welcome visitors and tell some of the stories. It makes a wonderful outing on sunny days and in poor weather.
