

Living Well North Tyneside

Supporting Health and Wellbeing

While the exact nature of services provided to each service user will vary and be tailored to individual needs, reablement will form the most part of it.

ProAce Healthcare Services Ltd offers home care to individuals across Tyne and Wear. We will support and enable individuals live safely, comfortably and independently in their own homes. ProAce Healthcare Services accepts referrals from hospitals, local authorities, social workers, GP's and self referrals.

We are the "Ace in home care" excelling in our person-centered approach through, quality, integrity, caring and compassionate, friendly, encouraging independence, reablement, flexible, dignity, choice, respect and accountable.
