

Bladder & Bowel Community

At the Bladder & Bowel Community, we are a national organisation providing support to the millions of people in the UK who are living with conditions relating to the bladder and the bowel.

Whether you suffer from a condition yourself or you are a relative, friend or carer of a sufferer, we can assist you with support, information, guidance and help.

As part of our service, we offer the "Just Can't Wait Card", a toilet access card featuring the universally recognised W.C. signage and providing discrete and clear communication for moments where you just can't wait to use the toilet. This is available free of charge, request a card [here](#).
