Supporting Health and Wellbeing

Dimensions UK Ltd

Dimensions provides evidence-based outcome-focused support for people with learning disabilities, autism and complex needs. We help people to be actively engaged in their communities.

In North Tyneside, we provide high-quality, personalised support and specialise in supporting people with complex needs and challenging behaviours to live independently in the community. We put the people we support and their families at the heart of everything we do and are proud to transform people's lives.
