

Living Well
North Tyneside
Supporting Health and Wellbeing

The earlier you quit the less life you lose.

There are many benefits of quitting smoking and support from a Stop Smoking Adviser increases your chance of stopping for good.

There are a number of Pharmacies across North Tyneside that offer **FREE stop smoking support and treatment**, coming up with a tailored plan to help you deal with cravings.

For more information click [here](#).

If you would like to find out more about stop smoking support that these pharmacies offer please call us on 0191 643 7171 or email stopsmoking@northtyneside.gov.uk. This line is open Monday – Friday, 9:00am – 5.00pm

E-cigarettes

E-cigarettes allow you to inhale nicotine through vapour rather than smoke. This vapour doesn't contain tar or carbon monoxide, two of the most harmful elements in tobacco smoke. Using an e-cigarette isn't completely risk-free, but it is at least 95% less harmful than smoking and can help you quit.

E-cigarettes can also be used to stop smoking along with support from a Stop Smoking Adviser.

You can find out more about e-cigarettes [here](#).
