Implementing safety precautions to minimise the risks of Covid-19.

EveryDay Care and Support , a social enterprise wholly owned by Age UK North Tyneside, supports individuals (over 18) and families in North Tyneside and Newcastle to live independently and make more of life. We're able to offer a little extra support in the short term or help over a longer period of time where necessary. All of our profits go back to supporting the incredible work carried out by Age UK North Tyneside.

EveryDay Care and Support - Homecare supports individuals aged 18 and over to live independently within their own home. No two people are the same, which is why all of our care plans are tailored to support your individual goals and aspirations.

Available 24 hours a day, seven days a week, EveryDay Home Care can empower you to get more out of life.

Supported Personal Care

Supporting you with everyday life from getting up, dressed and ready for the day, to getting you settled in ready for bed in the evenings.

Supported Health Care

Supporting you with medication, assistance to attend appointments and help with a range of other healthcare conditions such as dementia, stoma care, catheter care, mental health issues, PEG feeding, Home from Hospital support and end of life care at home.

Fully-trained individual support

Our staff are all professionally trained to deliver our wide range of services, including qualifications in Health and Social Care, as well as internal training from experienced trainer

The CQC rates EveryDay Care as GOOD

If you would like to find out more please get in touch.

Our Head of Professional Care Services, Kerry Parker was awarded Registered Home Care Manager (NE region) at the Great British Home Care Awards 2020.
