

# Living Well North Tyneside

Supporting Health and Wellbeing

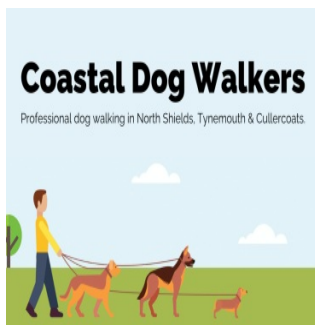

Our main dog walking areas are North Shields, Tynemouth, Cullercoats and Whitley Bay.

Your dog will get to know a number of new doggy friends and we will establish a routine where your beloved pooch is walked with compatible dogs at a convenient time for you. Dogs are more settled once they are in a routine and we will work hard to establish a routine that best suits you and your dog.

The cost of a 1 hour dog walk is £11.
