

# Living Well North Tyneside

Supporting Health and Wellbeing

We work together with you to plan, manage and review your care and treatment and are more than happy to work with you when your circumstances or requirements change.

At Help at Home Care, our priority is you. We strive to ensure compassion, respect, professionalism and the dignity of service users at all times. We believe that everybody, regardless of age or ability, should have optimum quality of life. The care we provide our customers will always be our driving force and the centre of our core values.
